25X1X

1. Soviet artillery units passed through NIEDERGOELSDOERF (N 52/E 63) and GOELSDOERF (N 52/E 68) during the evening hours and proceeded towards WITTLBERG (N 52/E 37). *

25X1X

2. Tank and artillery units from JUSTERBOG-ALTES LAGER (N 52/E 69) left towards the Elbe River for maneuvers. **

25X1A

3. Numerous tanks, guns and trucks, about half-submerged in pits and camouflaged with felled trees and brushwood, were observed along the FORST ZINNA (N 53/E 69) - LUCKENWALDE (N 53/E 70) railroad line. ***

Comment:

- * Possibly en route to the Gluecksburg Forest for maneuvers.
- ** The departure of JUSTERBOG units (14th Gds Meoz Div (Cadre) or Hq units of the Third Gds Meoz Army (Cadre)?) towards the Elbe River was presumably connected with the river-crossing exercises of large Soviet units at MUSHLAGER (near WITTLBERG) on 21 October 1949, in which about two hundred tanks were involved. Ø
- *** Presumably connected with the large-scale Third Gds Meoz Army (Cadre) maneuvers in the JUSTERBOG-LUCKENWALDE area.
